3. activities over the Board of Directors, the Executive Management, and shareholders :

In 2025 , the Supervisory Board fully performed its duties in accordance with its functions and powers as stipulated in the Enterprise Law, the Company Charter, and the Regulations on the Operation of the Supervisory Board :

- Strictly monitor the company's production and business operations and financial situation, ensuring the legality of the Board of Directors' and General Director's activities in compliance with the law and the company's charter.
- Monitoring the implementation of resolutions of the 2025 Annual General Meeting of Shareholders, and the issuance of resolutions and decisions by the Board of Directors and the Executive Board.
- Review and audit the financial statements for the year 2025 to assess the accuracy and fairness of the financial figures, in accordance with Vietnamese accounting standards and regulations.
- Monitor the company's compliance with and adherence to regulations regarding information disclosure as required by law.
- In 2025, the Supervisory Board found no irregularities in the company's financial operations; the Supervisory Board agreed with the management and operational measures of the Board of Directors and the company's management.

4. The Supervisory Board coordinates its activities with those of the Board of Directors, the Executive Management, and other management personnel.

The Supervisory Board coordinates its activities with the Board of Directors, the Executive Management, and other management personnel regularly, closely, and constructively. Through timely information exchange, the Supervisory Board contributes to ensuring that management and operational activities are carried out in accordance with the law, company charter, and issued resolutions. This coordination enhances transparency, improves governance efficiency, and reduces risks in the company's operations.
